Have you been following Dr. Johnson's articles on "[Who Needs the Church](#)"? This series is completed.

This week, Terry began the next series of articles on "[The Future of Christianity in the West](#)"?

Pastors Foster, Shaw and Gear have been working through on Sunday evenings the book of 1 Thessalonians. You can access these [audios on SermonAudio](#).

The audios from Terry's sermons are always available online and can be accessed at SermonAudio. <https://ipcs.ga/john>

For those who may be interested, we have been recording Terry's lessons on the Westminster Shorter Catechism. These are the lessons used during the Catechism and Confession year every 4 years intended for our fifth thru eighth graders. These can be found at this link, <https://ipcs.ga/wsc-tj>.

Feel free to drive by to congratulate Claire and drop off your gift if that is more comfortable for you. Claire is registered at Babylist and an [invitation is attached](#). Hope to see you then!

STUDENT MINISTRY

2020 Summer Dessert Fellowship

With the 6.11.20 Executive Order we are now permitted to have up to 50 in a gathering without having to social distance. This is great news for our summer plans and allows us to have a combined High School and Middle School Dessert Fellowship rather than our initial plan to have 2 meetings each week. This will help families with children in both of these groups from feeling like all they do is drive all over greater Savannah for Student Ministry activities.

Check your weekly email for updates on our weekly programs.

SUNDAY SCHOOL

2020 Summer Quarter

Children that are rising 4 year olds through the 5th grade received an email regarding the curriculum that will be sent home. Children in grades 6 - 12 are encouraged to participate along with their parents in watching the recorded lesson made available each Sunday morning.

College students along with our Young Adults and our adult Sunday school classes are given the opportunity to participate with the recorded lesson made available each Sunday morning.
