I.P.C. Weekly Newsletter

Volume 6 No. 29 (Digital Copy)

If you have not registered for Sunday services and/or supper, please do so here: <http://ipcsav.org/rsvp>

Dear Members and Friends of IPC, please be educated on Governor Kemp's recent Executive Order (07.15.20.01) providing additional guidance for Empowering a Healthy Georgia in response to COVID-19.

Though we are not requiring masks or face coverings to be worn within our facilities, if you are going to congregate where you are unable to social distance, please consider the governor's strong encouragement to wear your face mask/covering. While in our food service line, be considerate of others and practice social distancing and wear your face covering recognizing that when we serve food, we do operate under the guidelines for food service and need to abide by such orders which encourage the use of these practices. Utilize the hand sanitizer stations we have made available around the campus.

Officer Recommendations

During the Month of July, we accept recommendations for officer nominations. You can do so by submitting the tear-off on Sundays and placing in the offering plate or by doing so online at this link, <https://ipcs.ga/nom2021>. We will accept these recommendations during the month of July.

The IPC Messenger

You will be receiving the monthly Summer Messenger edition in your mail. If you do not receive one by Friday, July 10, please contact the church. You can help us save printing and mailing costs by receiving the digital copy edition or picking one up on Sunday.

The digital edition is accessible [here](#).

COMMUNION SEASON SERVICES

August 6 - 9, 2020

We are expecting a great opportunity in August with our visiting minister, Dale Ralph Davis, for our Communion Season Services. More will be posted about registering for the evening meals. Dr. Davis is an accomplished pastor, author and theologian and we are thrilled to have this opportunity to sit under his teaching. Link to register coming soon.

ELECTRONIC FRIENDSHIP CARD

During this time of the pandemic, one item we have missed is receiving your prayer requests on the Friendship Card as well as an opportunity for visitors to our worship services to share with us of their visit. You will now find around the campus and on publications a strange looking image (see left), though becoming more familiar these days. It is called a QR CODE. From a smartphone or tablet: ***open your camera app, aim at the QR CODE*** and your web browser should open up to an electronic form providing you an opportunity to share prayer requests or for visitors to share with us of their visit or request information. If you wish to give it a try, please do so and leave us a prayer

request. You can also use this link (<https://ipcs.ga/friendship>) to access this same electronic form.
