I.P.C. Weekly Newsletter

Volume 6 No. 31 (Digital Copy)

If you have not registered for Sunday services and/or supper, please do so here: <http://ipcsav.org/rsvp>

Dear Members and Friends of IPC, please be educated on Governor Kemp's recent Executive Order (07.15.20.01) providing additional guidance for Empowering a Healthy Georgia in response to COVID-19.

If you are going to congregate where you are unable to social distance, please consider the governor's strong encouragement to wear your face mask/covering. While in our food service line, be considerate of others and practice social distancing and wear your face covering recognizing that when we serve food, we do operate under the guidelines for food service and need to abide by such orders which encourage the use of these practices. Utilize the hand sanitizer stations we have made available around the campus.

ELECTRONIC FRIENDSHIP CARD

During this time of the pandemic, one item we have missed is receiving your prayer requests on the Friendship Card as well as an opportunity for visitors to our worship services to share with us of their visit. You will now find around the campus and on publications a strange looking image (see left), though becoming more familiar these days. It is called a QR CODE. From a smartphone or tablet: ***open your camera app, aim at the QR CODE*** and your web browser should open up to an electronic form providing you an opportunity to share prayer requests or for visitors to share with us of their visit or request information. If you wish to give it a try, please do so and leave us a prayer

request. You can also use this link (<https://ipcs.ga/friendship>) to access this same electronic form.
